ACCESS TO PHYSICAL HEALTHCARE SERVICES ON CAMPUS, INCLUDING HEALTH INFORMATION AND EDUCATION SERVICES

INTRODUCTION

Dr. D.Y. Patil Vidyapeeth (DPU), Pimpri, Pune being health science university with multispecialty hospital, each student has complete access to physical healthcare services on campus for promoting student well-being and academic success. Vidyapeeth provides a range of healthcare services, including medical consultations, preventive care, emergency response, and mental health support. Additionally, health information and education services play a crucial role in raising awareness about healthy lifestyles, disease prevention, and available resources. By offering accessible, affordable, and comprehensive healthcare, institutions ensure that students can prioritize their health without disrupting their studies. These services create a supportive environment that encourages students to make informed health decisions and seek timely medical assistance when needed.
