ACCESS TO SEXUAL AND REPRODUCTIVE HEALTH-CARE SERVICES INCLUDING INFORMATION AND EDUCATION SERVICES

Dr. D.Y. Patil Vidyapeeth (DPU), Pimpri, Pune being health science university with Allopathic, Ayurveda and homeopathy hospital in campus, access to sexual and reproductive health-care services, including education and information, is essential part for students. Obstetrics and gynecology department of all streams is active in providing sexual and reproductive health-care services. University life presents unique challenges, and ensuring access to accurate, stigma-free resources empowers students to make informed decisions about their health. Comprehensive sexual education and counselling support contribute to overall well-being and academic success. By integrating these services within campus health centres, universities can foster a supportive environment that promotes responsible sexual behaviour, gender equality, and overall reproductive health awareness. Our Curriculum includes the courses related to the above aspects as we are Health science University. The Medical, Ayurved, Homeopathy, Nursing and Physiotherapy offers specialized subjects addressing the Sexual and Reproductive Health Care. The programs not only address physical health, but also strive to provide a safe and knowledgeable environment for all individuals.

SENSITIZATION AND AWARENESS DRIVES

As a part of Community outreach program, on March 8, 2024, in celebration of International Women's Day, Dr. D.Y. Patil College of Ayurved & Research Centre organized a menstrual health campaign aimed at educating and empowering teenage girls. The event successfully reached a total of 120 girls. This initiative highlights the importance of menstrual health education and aims to break the stigma surrounding menstruation. The campaign included informative sessions that covered various aspects of menstrual health, hygiene practices, and the biological processes involved. The goal was to provide young girls with the knowledge and resources they need to manage their menstrual health confidently and effectively.

MENSTRUAL HYGIENE AND HEALTHY LIFESTYLE

26th February 2024, 60 girl students from the Dr. D. Y. Patil School of Science & Technology (DYPSST) attended an informative and engaging session on Menstrual Hygiene and Healthy Lifestyle. This event was organized as part of the activities of the Internal Complaint Committee (ICC) and the National Service Scheme (NSS) to raise awareness about critical health issues and empower female students. **Dr. Swapnali Dhoka**, a renowned motivational speaker, was invited as the guest speaker to lead the session.

Dr. Swapnali Dhoka discussed on the basics of menstruation and the importance of maintaining good hygiene during this natural cycle. She emphasized that menstruation is a healthy and normal part of a woman's life and should not be stigmatized.

Students were educated about proper menstrual hygiene practices, such as the use of sanitary products (pads, tampons, menstrual cups), their disposal, and the importance of regularly changing them to prevent infections.
